

Filling in the Form

Do not deface your form, it will make it invalid, we do not want your thoughts to go unheard.

Make sure you fill in the section asking which your preferred route for the pylons is.

If you are not happy with the response options you have been given you should:

- Write a letter of objection and attach it to the form.
- Make as many factual references as you can in the letter.
- Refer to any wildlife or cultural sites that will be affected.
- Comment on the financial and economic impact on you and the community.
- Copy the letter before it is sent, if you can send a copy to MAP, we will make sure these passed on to Glyn Davies.
